DIVYANG CAMP .....

Divyang Project Support

Foundation has a Memorandum of Understanding with JIV DAYA FOUNDATION of U.S.A. Under this MOU, we have been provided design for fabrication of special plastic moulded calipers for children. This has provided relief to the parents whose children have deformed foot since birth / cancer related deceases.

The Modular Design has more longevity (about 15 years) and are more comfortable to use. Though being very costly compared to conventional JAIPUR FOOT, the same are being provided free of cost to the young working amputees.
